 Order No. 2016- 239 (D)

ORDER

The records show that on 13 September 2016, the Opposer timely filed a Verified Notice of Opposition to Trademark Application Ser. No. 4-2016-001257. The records further show that this Bureau issued an Order dated 19 September 2016, directing the Opposer to submit the original legalized and authenticated Special Power of Attorney within ten (10) days from receipt of the Order. The Order states that the Opposer's failure to comply with the same shall cause the dismissal of the case.

On 13 October 2016, the Opposer filed a Compliance attaching therewith the original legalized and authenticated Special Power of Attorney executed by Stefan Boermans. The said compliance confirm the authority of the counsel to sign the Verification and Certification on behalf of the Opposer.

After a careful evaluation of the Opposer's Compliance, this Bureau noticed that the Special Power of Attorney while executed within the period to file the opposition was authenticated only on 14 September 2016 or after the filing of the Opposition, contrary to the provision of Rule 2, Section 7 (b) of the amended Rules and Regulations on Inter Partes Proceedings (promulgated through Office Order No. 99, s. 2011, as further amended by Office Order No. 14-068, s. 2014), which provides that:

Section 7. Filing Requirements for Opposition and Petition. - x x x (b) x x x
 The verification and certification of non-forum shopping as well as the documents showing the authority of the signatory or signatories thereto, affidavits and other supporting documents, if executed and notarized abroad, must have been authenticated by the appropriate Philippine diplomatic or consular office. The execution and authentication of these documents must have been done before the filing of the opposition or petition. [Emphasis supplied]

Therefore, the Special Power of Attorney while executed within the period to file the opposition but authenticated only after the filing of the opposition violates the above-quoted provision.

WHEREFORE, premises considered, this case is hereby **DISMISSED**. Let the filewrapper of Trademark Application Serial No. 4-2016-001257 be returned, together with a copy of this Order, to the Bureau of Trademarks for information and appropriate action.

SO ORDERED.
